1 field being in or near the easement, when did you learn  
2 that?

3 A I think it was July of 2013. I don't know the specific  
4 date.

5 Q Do you know how you learned of it?

6 A It was through a complaint.

7 Q And who made the complaint?

8 A Mr. Margitan.

9 Q Do you remember what was the basis of his complaint?

10 A The basis of his complaint was whether or not we were  
11 aware that the drain field was in the easement and didn't  
12 meet the setback requirements to an easement.

13 Q This complaint, would you consider it a basic compliance  
14 complaint issue?

15 A Yeah. I mean, we take all complaints, review them as to  
16 their validity.

17 Q And that type of complaint, is that something that you  
18 deal with routinely?

19 A I don't. I may be involved in some of them. In this  
20 particular one, I was because I was contacted directly.

21 Q So other than yourself, do you know who did you work  
22 with dealing with this complaint?

23 A I would have to review it. But I handled probably this  
24 one mostly myself.

25 Q Why was that?
